Re: **New Medical and Prescription Identification Card**

Dear Participant:

The Board of Trustees is excited to announce Sav-Rx will be replacing Prime Therapeutics as the Fund's pharmacy benefit manager effective August 1, 2025. Blue Cross Blue Shield will continue as the Fund's medical preferred provider organization. An important step in this process is to issue you a new Plan identification card.

Blue Cross Blue Shield will mail you a new ID card near the end of July. When you receive your new ID card, please destroy your old Blue Cross Blue Shield identification card after July 31, 2025, as it will no longer be effective for prescription drugs after that date. If you have any questions regarding your new prescription benefits, call Sav-Rx at 800-228-3108. You will also receive a welcome packet from Sav-Rx soon with additional information and resources.

Beginning August 1, 2025, you will need to present your new ID card to your pharmacist when obtaining prescription drugs.

REMEMBER: Both you and the Plan receive the best discount when you use in-network providers. You can locate in-network medical providers at www.bluecrossmn.com and in-network pharmacies at www.savrx.com.

If you have any questions, please contact the Fund Office at (218) 728-4231.

Sincerely,

Board of Trustees
